

## VOLUNTEER OPPORTUNITIES

**Idea Navigator:** Idea Navigators work with aspiring entrepreneurs that are new to RMMFI to help them create a high-level vision for their business and assess business feasibility and personal stability. Mentors help prepare entrepreneurs to enter our Business Launch Boot Camp and help connect them to other resources, as needed.

*Time commitment: 2 hours/month*

**Business Idea Lab Coach:** The Business Idea Lab is a short 4-week program designed to help aspiring entrepreneurs explore their vision, plan and refine their idea, and learn foundational principles. Idea Lab coaches guide group facilitation and exploration during the class sessions.

*Time commitment: 2 hours/week for 4 weeks*

**Business Launch Boot Camp Mentor:** Boot Camp Mentors support entrepreneurs through RMMFI's 12-week Launch program by providing real-world business knowledge and expertise (business coaches), financial understanding (financial coaches), and support to stay on track (accountability coaches).

*Time commitment: 1-4 hours/week for 12 weeks*

**Launch Committee Member:** The Launch Committee takes place at the end of every Business Launch Boot Camp and helps inform the entrepreneurs' action plans for the launch of their businesses. Through a question and answer format, committee members help identify any gaps or areas that need more definition, which in turn informs the ongoing support the entrepreneurs will receive.

*Time commitment: 3 hours*

**Thrive Mentor:** Thrive mentors are matched 1:1 with a graduate of our Business Launch Boot Camp to help them move past normal business hurdles and grow their business. Mentors are paired based on the entrepreneurs' specific area of need.

*Time commitment: 1-4 hours/month*

**Workshop Provider:** Workshop providers share their expertise by helping design, lead, and facilitate workshops for current participants and graduates of our Business Launch Boot Camp. Workshops take place throughout the year and can be provided on a 1-time or ongoing basis.

*Time commitment: 1-2 hours plus prep time*

**Organizational Volunteer:** Organizational volunteers provide additional capacity and expertise to RMMFI as we navigate opportunities to strengthen our organization and the programs we run.

*Time commitment: varies depending on project*
